My name is Ms. McFadden, and I will be your counselor for as long as you remain housed in Building 18 or Building 19 CD Tiers. I know you are here, and I will be around to see you as soon as I can. When I come to see you, I will bring you a copy of the housing rules for the SHU. I cannot send the housing rules in the mail because they are too thick. Please sign all 3 of the enclosed forms and send them back to me (TV responsibility form, housing rules form and Treatment Plan). These forms need to be signed before a TV can be issued to you. I am including an "orientation package" and I would like for you to read it because it explains how things work back here in the SHU. If you have a new Quality of Life Level, I have indicated it on your treatment plan. If not, I put a temporary level on the plan so that you can get started. Eventually the Quality of Life Committee will give you an official level. I will also bring you your assignments when I come to see you. You will get all of the program assignments at one time for whatever level you are on, so you will have plenty of time to get them done. I will present your case for review approximately every 90 days.

FYI-

- Level 1's do not get a TV, you must achieve Level 2 before being issued a TV
- If you wish to purchase a radio, you have to fill out a commissary slip and send it to Capt Sagers for his approval.

I appreciate your patience, and I will be down to see you as soon as I can. Drop me a note if you have any questions.

Don't forget to sign the enclosed forms and mail them back to me, so I can submit your name and cell for a TV. The "orientation package" is yours to keep.

Thank you, Counselor McFadden
